EXPERIENCE

Programmer – TIS Record Management System

Apr 2026 – Present

Capstone Project

- Built an offline-capable **Record Management System** with Flutter, Express.js, and SQLite, featuring automated **PDF/OCR processing for SF9/SF10**, structured student-data extraction, OCR correction and duplicate prevention, secure backend services, Windows deployment/installation tools, and comprehensive documentation for setup and administrator handoff.

Programmer – Campus Supply & Inventory Management Module

Apr 2026 – May 2026

Integration Project in SIA (System Integration and Architecture)

- Developed a **Campus Supply & Inventory Management Module** using PHP, HTML, and MySQL, implementing secure authentication, real-time inventory and stock-level tracking, automated reorder alerts, supplier-linked procurement and purchase orders, automated stock updates upon receiving, and dashboard reporting with inventory valuation analytics.

CERTIFICATIONS

- TESDA - CSS NCII (Computer Systems Servicing, National Certificate 2)** Issued on Oct 4, 2025
- DLSP Information System Club – Ethical Hacking and Data Security** Apr 17, 2026

EDUCATION

College - BS in Information Technology

2023 – Present

Dalubhasaan ng Lungsod ng San Pablo

Senior High School - STEM

2021 – 2023

Plaridel Integrated National High School

Junior High School

2017 - 2021

Liliw National High School

Primary School

2011 – 2017

Liliw Central Elementary School
